Tornadoes. Hurricanes. Power outages. It's durable and weather-resistant too.

**Never again will you have to fumble around for the flashlight. Then try to find the clock.
Then try to find the radio. Then try to keep calm for your family. That's too much to

Get in control! Take charge! Get the Rugged Radio LanternTM today!**

If it was *just* a **weather-resistant lantern**--that would be great. It's so much more than that.
Other features include:

- **Search light feature** to scout out the parameters of your area.
- **Siren** with adjustable volume to help others find you.
- **AM/FM radio** for the up-to-the-minute news you'll need.
- **5-function clock** to let you know the time--always critical!
- **7 1/2" body** makes a lightweight carry-on.

This all-in-one emergency device could easily cost you \$45 in one of those overpriced camping
stores. More than that. If you had to buy each thing separately plus something to carry it in. It's
a bargain at \$15.95, but a better bargain for you when you can get it FREE! Yes, FREE just for
trying the Immuno-Max 5 supplement.

**BUT HURRY! THIS FREE OFFER DOES HAVE A LIMITED NUMBER OF
RUGGED RADIO LANTERNSTM SET ASIDE. ONCE THEY'RE GONE. THEY'RE
GONE. YOU MUST ACT QUICKLY!**
